FairPoint offers Link-Up New Hampshire and Lifeline Telephone Assistance Programs to qualified low-income residential customers at their primary residence.

Link-Up and Lifeline reductions are applied to one residential telephone line per household.

- Link-Up New Hampshire reduces the normal installation charges for local telephone service by 50 percent (up to \$30). This does not apply to any work required to run inside wire or install telephone jacks.

With Link-Up New Hampshire, customers have the flexibility to spread the remaining service connection payments over a one-year period with no interest charges.

- Lifeline Telephone Assistance reduces your residential telephone bill.

To qualify for Link-Up New Hampshire or the Lifeline Telephone Assistance plan, you must participate in one of the following programs or meet the appropriate income criteria:

- Medicaid
- Food Stamps
- Supplemental Security Income
- Federal Public Housing
- Low Income Home Energy Assistance
- Temporary Aid to Needy Families (TANF)
- National School Lunch/Free Lunch Program (NSL)
- 135% of Federal Poverty Level

To apply, check the box on the application for each category in which you participate. Complete the application, sign it and mail it to the address shown on the back of the brochure. Include a copy of your verification form used by one of the qualifying programs or proof of your annual income dated within the last 12 months with the application. Copies of leases, entitlement letters or notices of decision are acceptable forms of verification.
